

## Medallus Medical All-Inclusive Fee (Flat Fee) Agreement

By signing this form, I agree to the following terms and conditions:

- \_\_\_\_\_ 1. Payment is due at the time of service, before being seen.
- \_\_\_\_\_ 2. If I have paid \$149 already and the visit warrants a procedure that costs \$209 or if IV treatment or Orthoglass splinting is given, I agree to pay additional \$100 at the end of the visit today. If this amount is not paid today, I agree to be billed the full amount. This balance is subjected to collection with additional 30% collection fee if not paid in timely manner.
- \_\_\_\_\_ 3. Any labs or x-rays sent to a third party will incur additional charges. These are required to be paid at the time of service at discounted rates. If these are not paid at time of service, I agree to be billed from the third party at the full price.
- \_\_\_\_\_ 4. All prefabricated splinting products are additional and will be charged extra at discounted prices. If the payment is not received at time of service I agree to be billed at the full price.
- \_\_\_\_\_ 5. Any immunizations/vaccines are not included and will be available with an additional fee, excluding TD. If the payment is not received at time of service I agree to be billed at the full price.
- \_\_\_\_\_ 6. If I have a health insurance plan that Medallus Medical is a provider for and if I fail to give the billing information for claim processing, I agree not to seek reimbursement in the future for the services rendered and paid for today.
- \_\_\_\_\_ 7. I do not have Medicare. If I do have Medicare, I am not eligible to pay cash for the services today because all claims for a Medicare patient must be processed and billed to Medicare.
- \_\_\_\_\_ 8. I agree to the following Fees:

**\$149 per visit for:**

- Any illness or any injury evaluation and treatment
- Includes all procedures performed in the clinic: Strep, urinalysis, x-ray, medications, etc.
- If IV fluid or IV medication therapy is given or if Orthoglass splinting is applied, additional \$100 is due at the end of the service.

**\$249 per visit for:**

- Laceration repair, I&D abscess, any nail repair, any minor surgical procedure
- Corneal foreign body removal
- Splinting of sprain or fracture
- Any illness or procedure visit that needs IV fluid or IV medication therapy, or therapeutic phlebotomy

**\$80 per follow up visit for:**

- Follow up of the same problem within 7 days – either instructed to follow up or due to failure to improve.
- Follow up of fracture care for: re-xray, cast application, cast removal. \$70 each time.
- Follow up of sprain if not better or if radiologist calls a fracture.
- Follow up of abscess, cellulitis, laceration repair needing IV or IM antibiotic.
- Follow up with any prescriptions given

No charge for:

- Suture check, suture removal without infection
- Abscess follow up with simple repacking or removing of packing.
- Quick pulse ox check without needing further evaluation or treatment.
